// OPERATION NIGHTFALL //

// Operation Nightfall //

Preliminary briefing

At 02:17, the night watch reported a light inside the sealed archive. The building has been without power since the evacuation. Your team arrives before dawn.

This sample demonstrates the Delta Greenery page layout and its automatic publication disclaimer.

Objectives

» Establish a perimeter around the archive.
» Interview the night watch separately.
» Document the source of the light before disturbing any evidence.

HANDLER'S NOTE

Keep the investigation quiet. Record observations before drawing conclusions.

Evidence log

Time	Observation
02:17	Light observed on the upper floor.
02:24	A second witness confirms movement.
03:05	The access road is closed.

End of briefing
